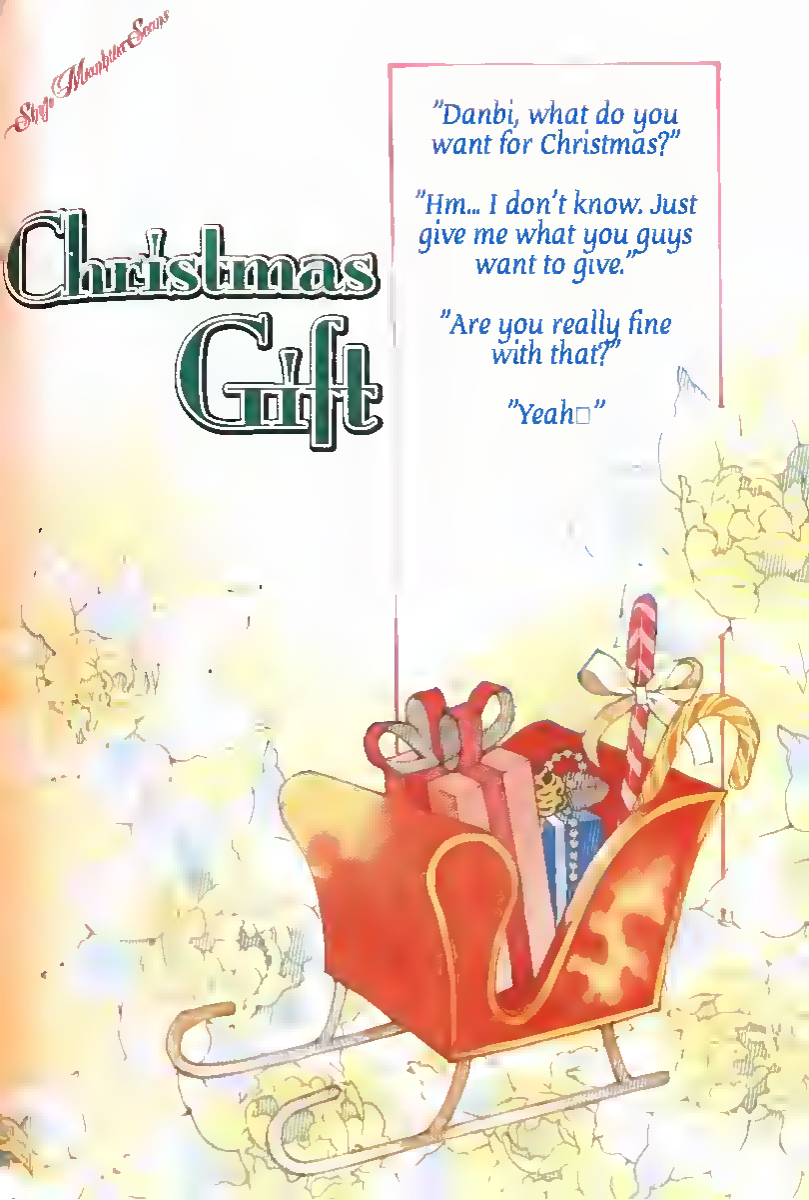
Christmas Gift

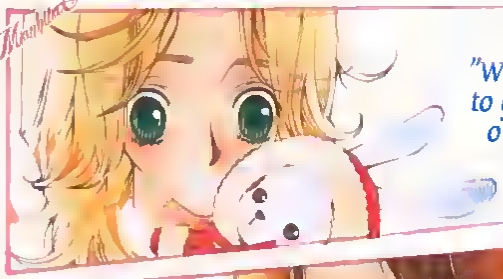
"Danbi, what do you want for Christmas?"

"Hm... I don't know. Just give me what you guys want to give."

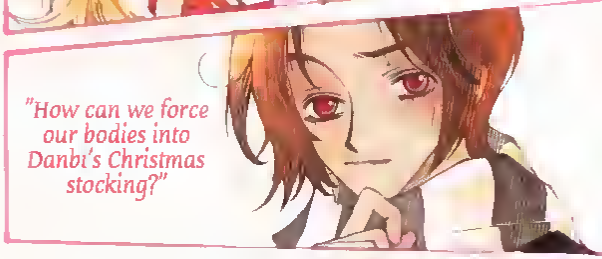
"Are you really fine with that?"

"Yeah□"





"What we want to give to her is ourselves....."



"How can we force our bodies into Danbi's Christmas stocking?"

"Ah ah..."

Shojo Manga Scans

They're the ones who planned the Christmas party...

They look tired, so I can't wake them up,

Sigh~ I have no choice.

During the shoot, I followed Danbi to surprise Woo Ryum, but instead of welcoming me, he became very grumpy.
During the shoot... was the day Danbi went out on a date with Woo Ryum?

Then all three of you were together the whole day?
Yup.
AHAHAHAHAH AHAHAHAHAH AHAHAHAHAH AHA...!

Don't you think so, Bada?
Hey, what are you saying all of a sudden?
Well~ The people who work here must be tired from all these stairs.. is what I am saying. That's all Really

I apologize for surprising you with my sudden visit
The thing is, my lovely princess here begged me to let her come and watch the show.

Princess?
Ah, please excuse the late introduction. Maybe you might know her from school?
!!!
She's my daughter Ah Ryun. Say hello.

Style Manhwa Scans

Oh, no~ It's already this late! Mr. CEO, I better go ahead and get prepared.
Of course
Ah Ryun, should we go as well and take a seat? Eden, after the show, let's eat a meal together. Well, then...
Ah, sure.
Good. I guess This is enough to show them that I'm not someone they can ignore

I can't believe that bitch is Mr. CEO's daughter. It is a small world after all, huh. I have a bad feeling about this.

Eheheh, it's a long story. In short, I'm working here as a temporary assistant helper for team Leomardny agency. You?
My dad received the show ticket for a present, so I came along.
I see.
Hey Danbi. Unfortunately, we'll have to chat after the show. I'm waiting for someone right now.
Hm? Oh, okay

Eden--
Your agency captain wants to see you real quick at the 4th floor lobby.
Okay
Mr. CEO isn't someone who would call me out right before the fashion show... Did something happen?

Style Manhwa Scans

Manager, I'll be right back.
Where are you going 30 minutes before opening time?!
Mr. CEO wants to see me real quick
What are you saying! I just saw him talking to Mr. Leonardny before coming in.
ERIC! WHO GAVE YOU THE MESSAGE?

It was one of the event coordinators, but they also received the message from somebody else
Thanks, Eric.
...Hmm.
Something smells fishy, but just in case, I'll hurry and see what's going on.

Anyway, can you stand on stage in this condition? As you can see, the blood in your eye isn't gonna come out anytime soon

Ugh~ Of all days, why did it happen on an important time like today!
We'll have to figure out something
What about Danbi? She was shaking a lot..
The shock must've been quite strong, so I told her to go back to the hotel, but she won't budge
She said she wants to finish her job no matter what.

..That's her, alright.

How can you smile in this situation?
Mr. Leonardny!
Thanks to you, the show has been delayed for 20 minutes. Now you'll have to get on the stage in 5 minutes, but seeing your face just makes me disappointed.
I hope you don't do such unfortunate thing as ruining my show.

Stage Manager Sang

Surprise me... If you, however, bring disgrace to my reputation, you will never be able to come back ever again
It's too bad. I have a strong feeling that such thing won't be happening.
Of course not. But is it okay to alter the makeup and hair concept a bit?

Fine! Let's see how far you can go with that confidence of yours.

If today's show messes up because of the injury. I won't be able to face Eden and Ah Ryun ever again
Everything that happened is all my fault so people are probably hating and resenting me.

Wait! That's Eden's outfit...
Then... that person is?

Ha Ha
Eden?!!

Red eye red tattoo red outfit they all fearfully match so well. Also the scar is hidden behind the tattoo..
I realize from the last audition as well as today that Eden is outstanding when it comes to coping with emergencies

Super model is not just a label.
KYA~ THAT SPLENDID ATMOSPHERE! MAGNIFICENT! AMAZING!!

That tough bastard! His walking is perfectly steady when he can't even see well because of the blood.
I FEEL LIKE I'M GETTING SUCKED INTO EDEN'S INTENSE GLARE.
'Top is different,' is that it?
Can't you see the audiences' eyes fixed to that monster? I'm glad I'm not the one standing on the stage with him.

Not only does the red tattoo around the red eye seems as if it's a planned concept it strengthens the look even more
I definitely have a good eye for judging people I've started to like him more and more

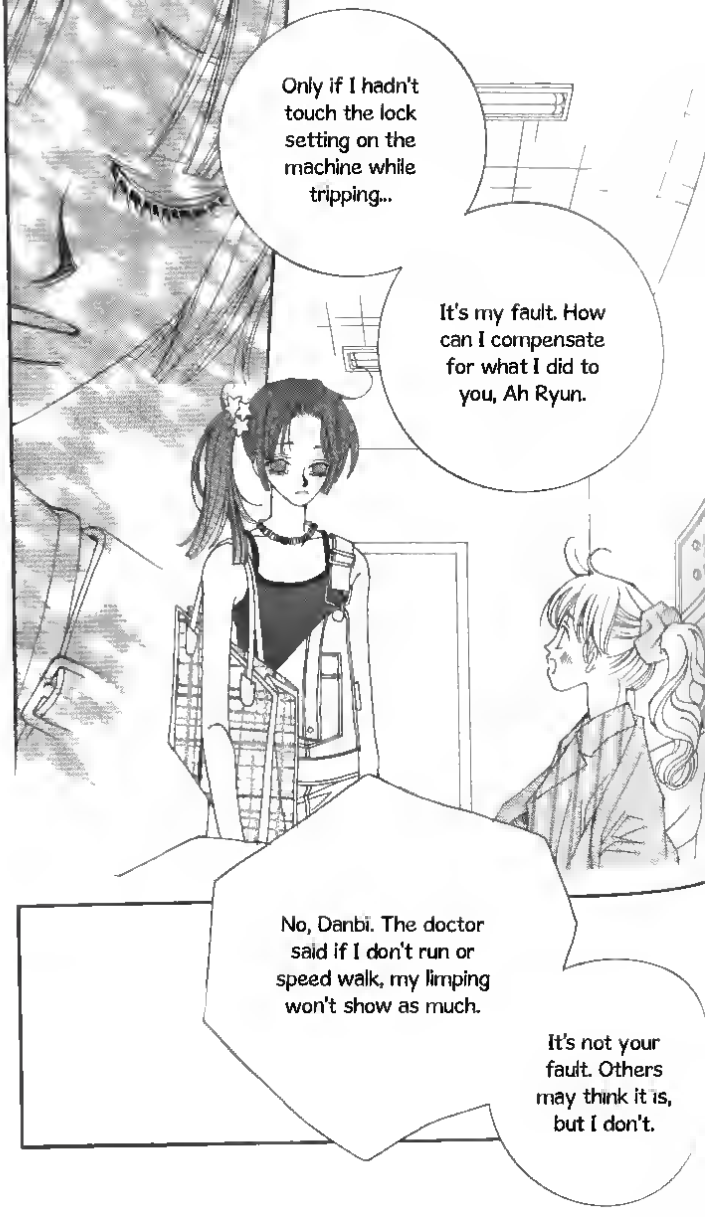
Ah... Yesterday... How are you feeling?
Good.
Pretty flowers...
Really? I'm relieved. And your leg...
I'll be getting physical therapy treatment soon.
Then you'll be completely healed?

They said I'll be limping.
What?

Forever.
!!!

For...ever?
Yeah.
I'm... I'm sorry...



Only if I hadn't touch the lock setting on the machine while tripping...
It's my fault. How can I compensate for what I did to you, Ah Ryun.
No, Danbi. The doctor said if I don't run or speed walk, my limping won't show as much.
It's not your fault. Others may think it is, but I don't.

You're too kind, Ah Ryun. You're making me feel more shameful.
Eh?!
NO WAY. ALL THIS TIME, I WAS JEALOUS OF YOU FOR HANGING AROUND WITH EDEN!
Blush
To tell you the truth, I am more upset from not being able to watch Eden's fashion show that I worked so hard to go to than from not being able to walk well due to the injury.

You're always with Eden as his road manger, so you wouldn't understand my feeling.
Ah Ryun...

Sorry! Forget what I said. I was too relaxed from seeing you Thanks, Danbi, for visiting me and listening to my gibberish. I'll see you at school.
Okay Hang in there, Ah Ryun

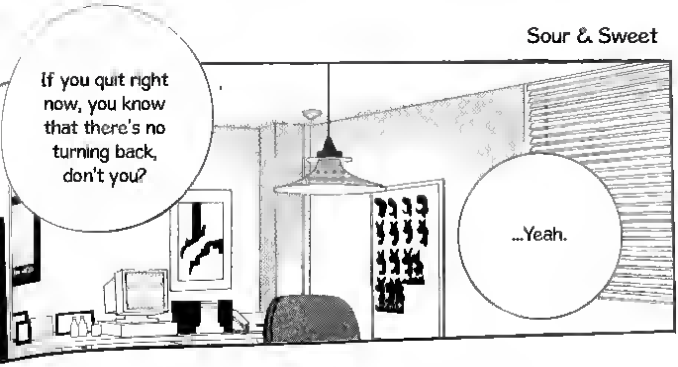
Yes, that's it. Keep going like this and you'll have to give up your manager position, Jung Danbi.

You appeared unexpectedly, ruining my plan, and I had to experience a leg injury, but I'll forgive you for actually helping me in a sense.
I'll forgive you, so be more reckless toward me...

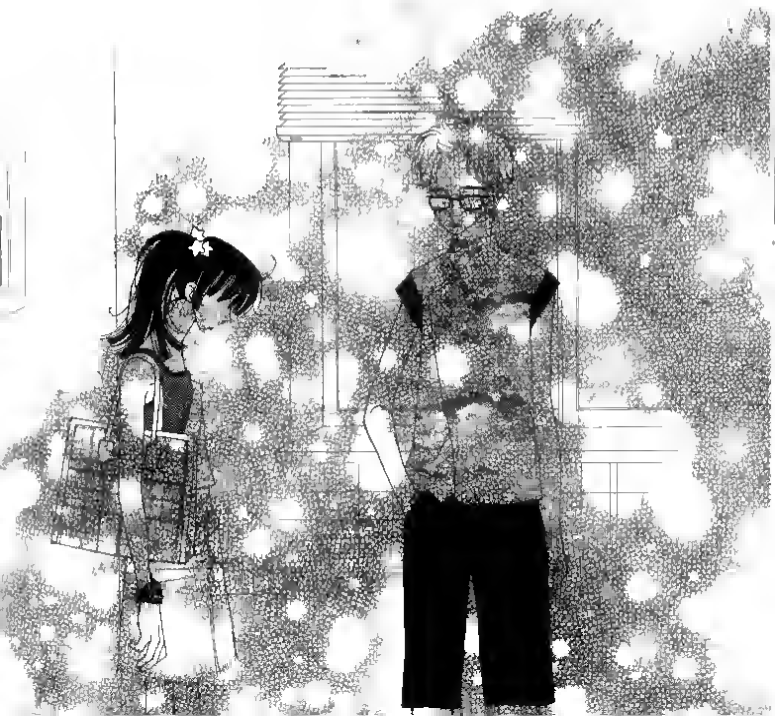
I'M SORRY, SEUNG HYUK! I'LL RESIGN RIGHT AWAY.
AND I'LL TELL THAT TO EDEN, WOO RYUM, AND BADA MYSELF!

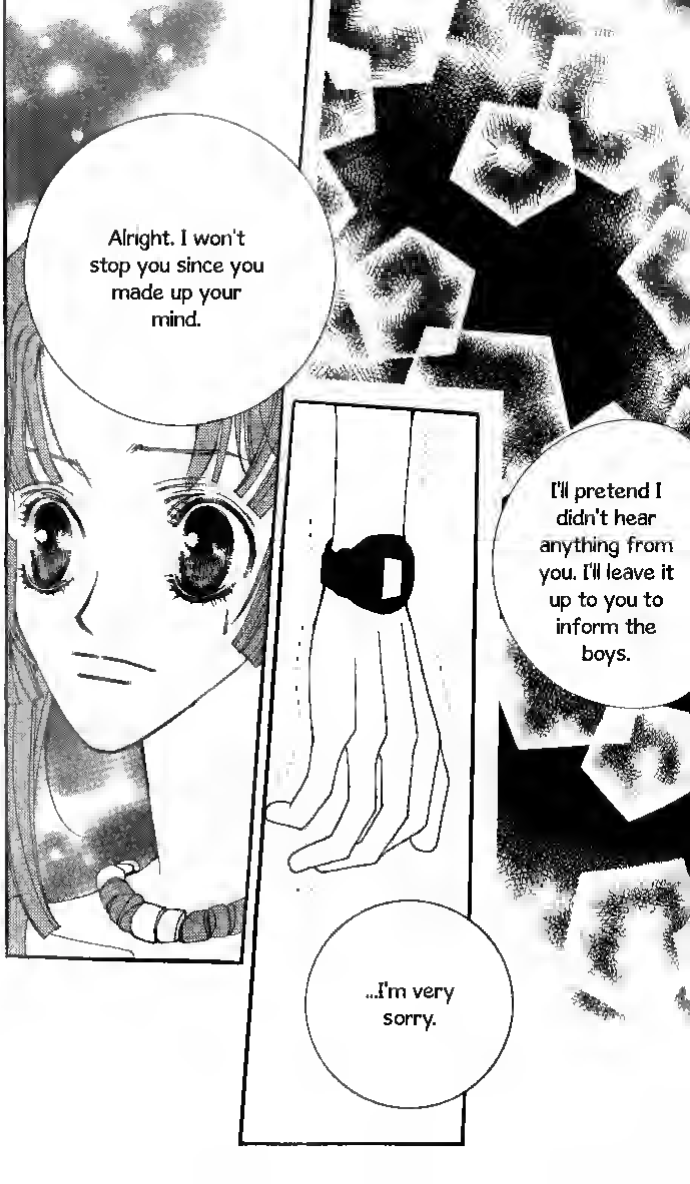
I'm out of breath...
Blank~
Hu hu
What are you saying all of a sudden, Danbi. I'm perplexed.
Why don't you explain from the beginning to end? Did something happen in Paris, hm?
No, not at all!! I'm just tired of it--
Missing TL

That's not even it. My grades have been going down and my mother misses my presence at home...
And...
...

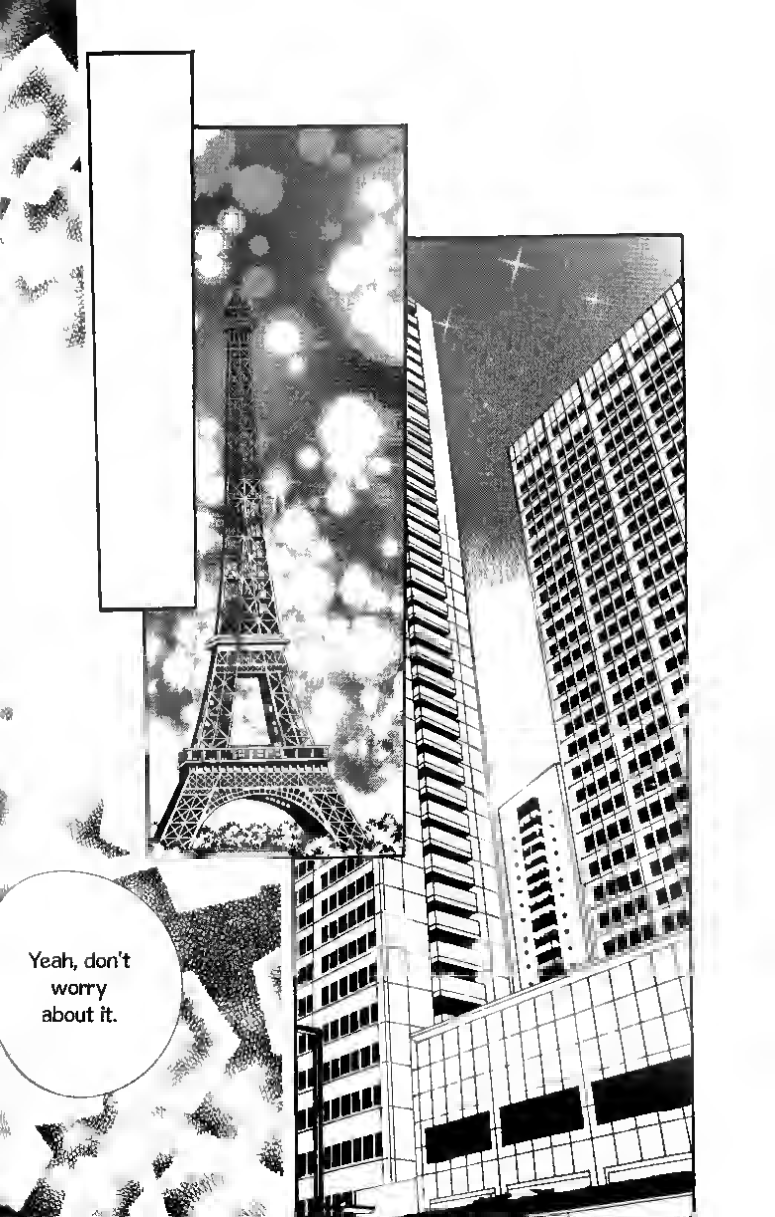


If you quit right now, you know that there's no turning back, don't you?
...Yeah.



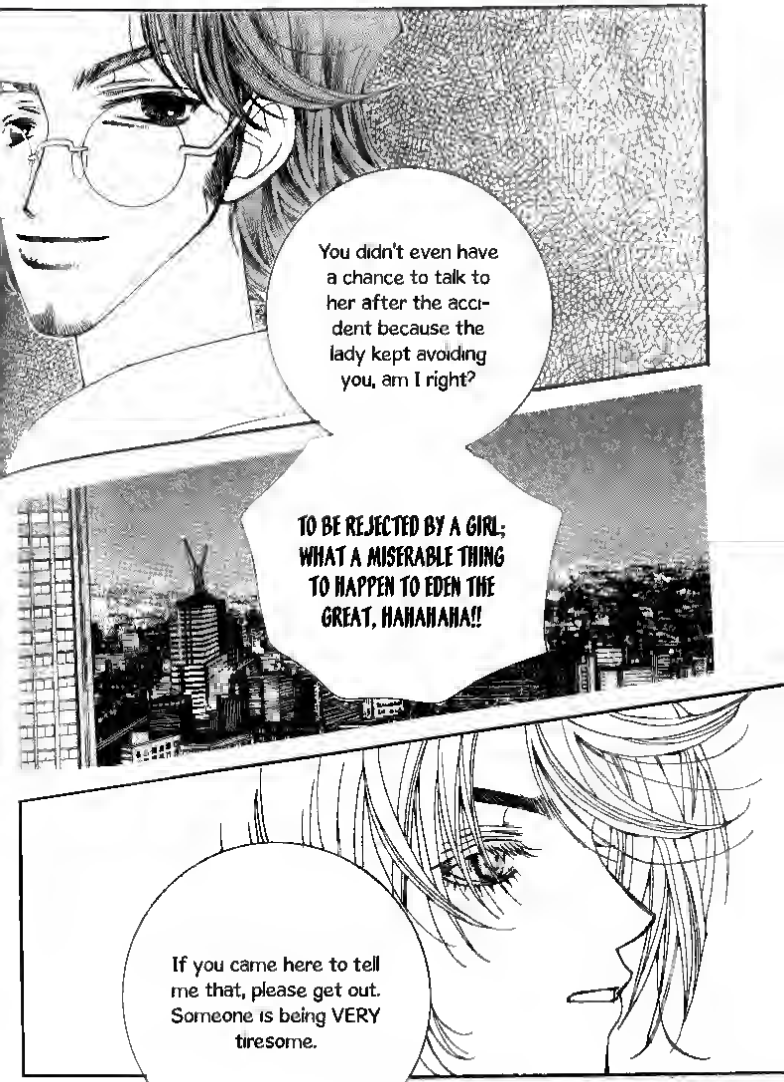


Alright. I won't stop you since you made up your mind.
I'll pretend I didn't hear anything from you. I'll leave it up to you to inform the boys.
...I'm very sorry.



Yeah, don't worry about it.

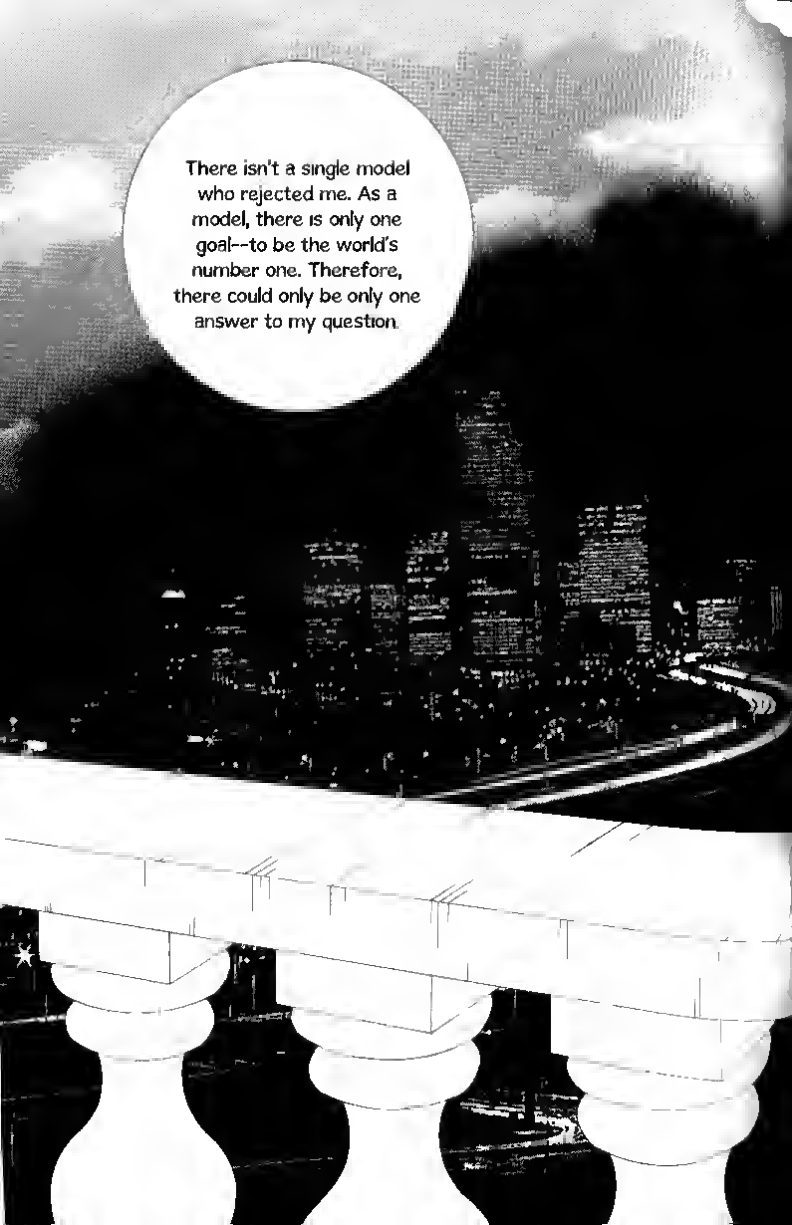
You're going back to Korea tomorrow?
Yes.
You look uneasy ever since the show ended. To be precise, was it right after the lady left?
...



You didn't even have a chance to talk to her after the accident because the lady kept avoiding you, am I right?
TO BE REJECTED BY A GIRL; WHAT A MISERABLE THING TO HAPPEN TO EDEN THE GREAT, HAHAHAHA!!
If you came here to tell me that, please get out. Someone is being VERY tiresome.

Clink--
I apologize. I was being too harsh.
Then I will be frank with you. I would like to make Ha Eden the world's best model. Won't you take the offer of training under my instruction here in Paris?

What's your answer?
Oh my... You won't even give me a time to think...is that it?
Ha! You live to enjoy surprising people, don't you?



There isn't a single model who rejected me. As a model, there is only one goal--to be the world's number one. Therefore, there could only be only one answer to my question.

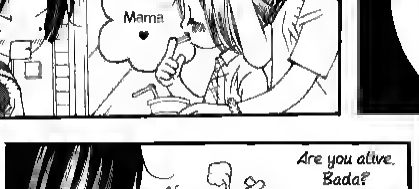
Wow, Danbi. What has gotten into you, offering to buy us a meal.
Sure. I'm sorry for being stingy all the time.
But what's up with the hamburger! It should at least be a pizza.
What do you expect from a poor student. Bada, if you keep complaining, you're not getting anything.
Ah! No way, no way.
grab

Huh?
Ah, you have sauce on your cheek.
No, not there.
Hee hee!
Geez, you're not a kid.
Do you want some more?
Yup♡

Woo Ryu, why aren't you eating? You don't like hamburger?
That's not it. I just eat slowly.
Bada you should eat slowly

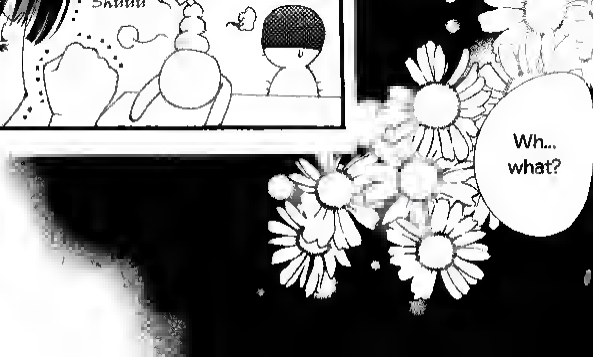
Danbi, you act like Bada's mother.

EH. I REFUSE TO RAISE A BIG BABY LIKE HIM.
Mama



Shnnn
Are you alive, Bada?

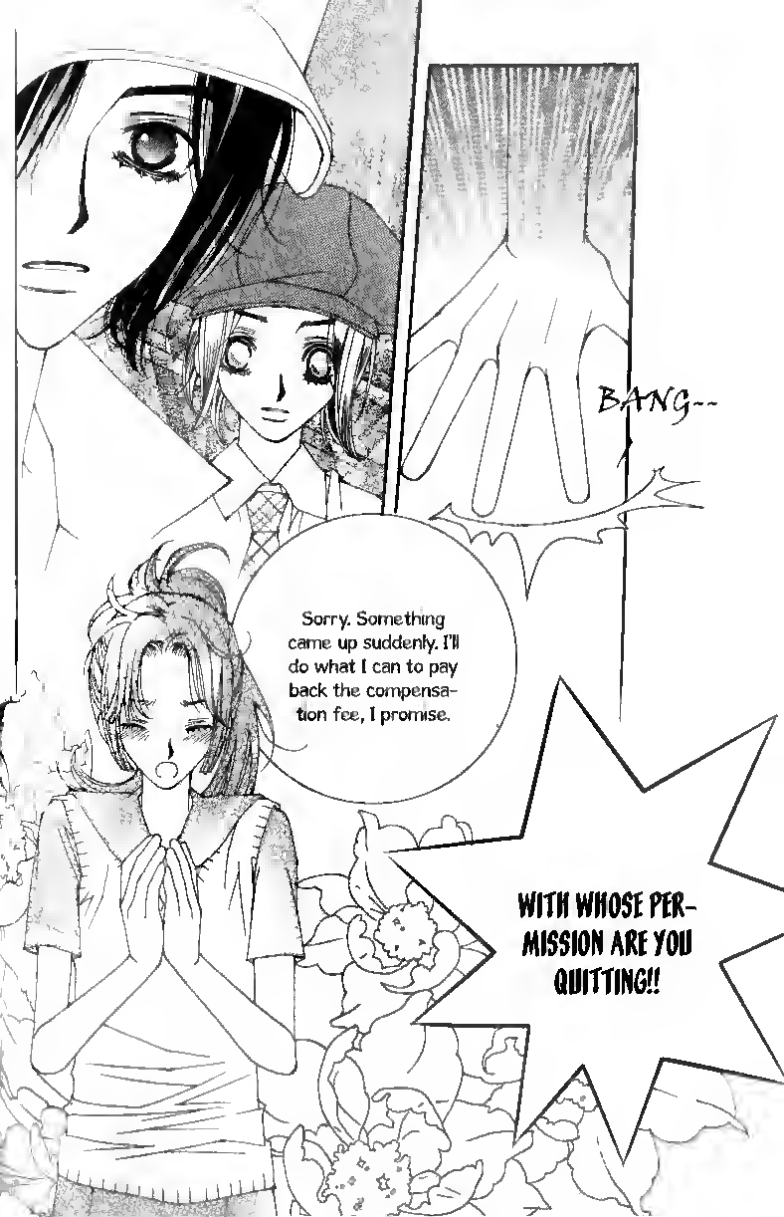
So Danbi, do you have something to tell us?



Wh... what?

guilty
It's obvious you're being nice to us because you're guilty of something.

Glare
...the truth is...
I don't think I have a choice but to quit being your manager.



BANG--
Sorry. Something came up suddenly. I'll do what I can to pay back the compensation fee, I promise.
WITH WHOSE PERMISSION ARE YOU QUITTING!!

Ba. Bada

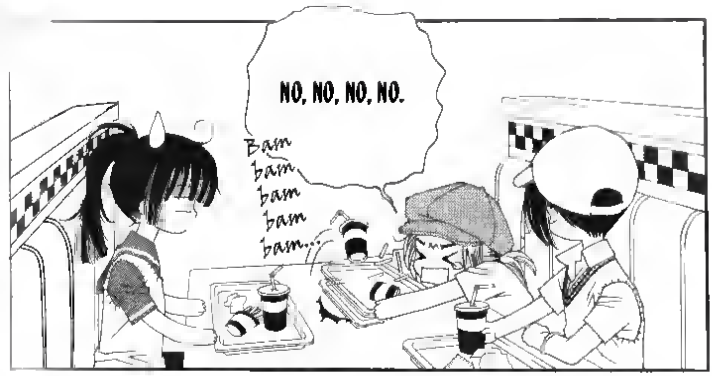
Strange. He looks so similar... Maybe they're filming Hidden Camera*?
No way~ Ryu Bada wouldn't come here to eat a mere hamburger. He's just a lookalike.
Then the girl in front of him is an actress?
I don't know. I have never seen her before.
Bada, people are looking. If you don't want to cause trouble, calm down and have a sit.
BUT.

ugh
Sit * Down!
Yes sir!
Zoom
Alright. I understand what you said. But I'll pretend I didn't hear the part about paying back the debt.
I never thought of our relationship as a simple lender-debtor.

nod
True, true.
nod
I'm actually upset that you still have the debt in mind.
.....Sorry...

Danbi, I know it wasn't an easy decision for you to make. It's too bad, but do as you wish.
Woo Ryum...
And focus only on me instead, okay?
Blush
NO WAY, JOSE. I'M ABSOLUTELY AGAINST DANBI RESIGNING!



NO, NO, NO, NO.
Bam bam bam bam bam...

JUST BECAUSE SHE IS QUITTING HER JOB DOESN'T MEAN SHE IS GOING TO QUIT BEING YOUR FRIEND. IF YOU KEEP COMPLAINING, I WON'T LET YOU SEE HER EVER AGAIN!
Pause

Does Eden know you're quitting?

...
No, not yet...
We barely made up... I didn't know what to tell him.

You guys must be still uncomfortable after the accident at Paris. If you don't mind, I can tell him myself.
No, thanks. I will tell him. It's not like I can run away from him forever...
drop
Yeah.
Hey Danbi, I'm gonna eat all of these!

Yeah, yeah. But did you pay for it?
What a cutie
With this
Heh heh...
Crack
Geez, Bada... Isn't your stomach stuffed enough already?
EEK, MY WALLET!! WHEN DID YOU TAKE IT.

Eden!
I heard from my dad that you were coming to visit today, but I didn't think you would really come.

You look fine.
Yup. It's all thanks to physical therapy. In this condition, I can go to school in few days. I'm going to work hard since the summer break is already over.
...yeah.

Shwooosh--
...
...about getting hurt instead of me...
I should've thanked you earlier. Sorry.

If it wasn't for you, I would've definitely been seriously injured and obviously wouldn't have made it the show.
No... It's fine. It was my decision to push you away. I didn't do it to receive your gratitude.

Therefore, you deserve all my gratitude.
Huu. Eden!
glomp--

Um...
It's shameless of me for saying this, but your kindness makes me greedier.

It's okay.

Re...really?
Yeah.
Won't you be my boyfriend?

...If not, how about just when you don't have any schedule and just during school?
dilly dally...
If...if you don't like that either, how about until I completely heal...
Fine.
What?
I said I will grant your request!!

I will stay away from Eden is what I promised with Ah Ryun but just watching him sleep should be fine

Come to think of it I haven't seen Eden's face very well since the end of the Paris fashion show.
Did the wound on his forehead heal completely? I hope it didn't leave a scar.

He He woke up!!
Ah!
You, what the hell.
AH... UM... SORRY FOR WAKING YOU UP.
I... I'LL BE GOING NOW.

WAIT.
Shouldn't you be taking full responsibility of your job whether or not you have a personal issue toward me?
What are you saying? I have no issue with you.

That, that is..
Then how come I haven't gotten any morning calls from you ever since I came back to Korea?
I was going to tell you after you come back from Paris.
Tell me what?

I'm not your manager any longer.
I didn't hear such thing from Seung Hyuk.
I planned to tell you personally
I already told Seung Hyuk. Bada and Woo Ryum allowed it as well...

THAT'S NOT IT. THEY ARE NOT AT FAULT. IT IS ALL MY OWN DECISION.

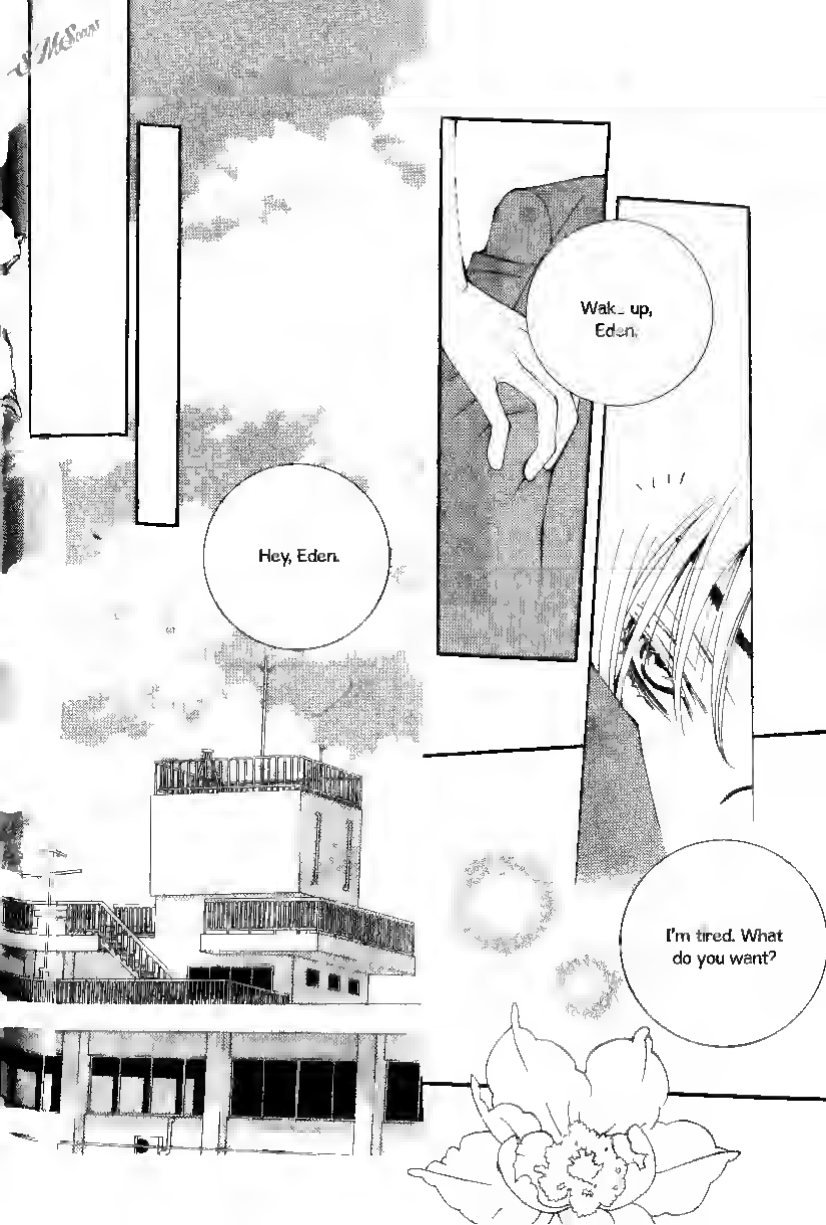
No I'm not sure about the others but I have to be on good terms with Eden!!



Wak_ up, Eden.
Hey, Eden.
I'm tired. What do you want?

I looked for you everywhere. There's a rumor going on that says you and Lily Witch is going out. Is that true?
HOW CAN I NOT WORRY ABOUT IT? THAT WITCH IS YAPPING WICKED THINGS TO DANBI.
A kid like you doesn't have to know.

I HEARD THAT THERE WAS AN ACCIDENT RIGHT BEFORE THE FASHION SHOW. BUT THAT WITCH BLAMED DANBI FOR HER LEG INJURY. IS IT TRUE? IS IT REALLY BECAUSE OF DANBI?
Geez~ Did you super glue your mouth. I'm talking you, say something~~
Is that the wicked thing Ah Ryun said? Blaming Danbi for her leg injury?

THAT'S NOT IT! SHE TOLD HER NOT TO GO NEAR YOU AT ALL. THAT FOX! SHE ALSO TOLD HER NEVER TO TALK TO YOU OR EVEN ACT LIKE SHE KNOWS YOU.
THINKING ABOUT IT IS MAKING ANGRIER.
So what was Danbi's answer?
I don't know. But like a trapped mouse, she didn't even stand up for herself and just said okay
That is nothing like Danbi, dammit~

Bada. I know you are worried about Danbi, but for now, just act like you don't know anything. And don't tell anyone about it
Even to Woo Ryum?
Yeah

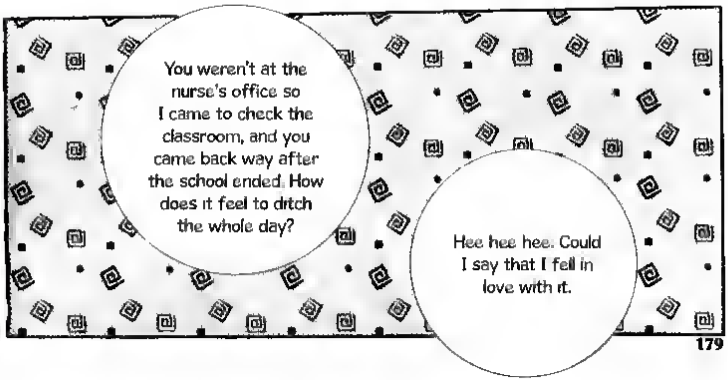
Woo.. Woo
Ryum...

Hey Danbi.
Thank goodness I waited for you after seeing your backpack still here, but I was wondering if you went home already.



You weren't at the nurse's office so I came to check the classroom, and you came back way after the school ended. How does it feel to ditch the whole day?
Hee hee hee. Could I say that I fell in love with it.

Stare...
Wha what?
Your eyes are red. Who is it?
Who...who is what?
Who is it that made you cry?
